

## Saree Day

Saturday 06 Apr 2019 || 12:00 to 14:00 || Kings Monkton School

KIRAN, the Knowledge-based Intercommunity Relationship and Awareness Network, has organised a Saree Day in order to raise awareness among local communities about ethnic costumes and food. It was a free event which was open to all. The people from local communities have participated on the day. Each participant was given a complimentary Saree, which was a gift from KIRAN. The participants were engaged through delicious Indian food and discussed about South East Asian food, costume and culture.

KIRAN is an independent, non-profit, secular and apolitical organisation based in Wales. Cardiff Theatre, Cardiff Literary Circle and Cardiff Film Club are the projects of KIRAN. © KIRAN 2019
